

Happy

An old English legend says that the Easter Bunny delivers the Easter eggs to the children. The story tells of a poor woman who wanted to buy gifts for her children at Easter but she didn't have any money. Instead she coloured some eggs and hid

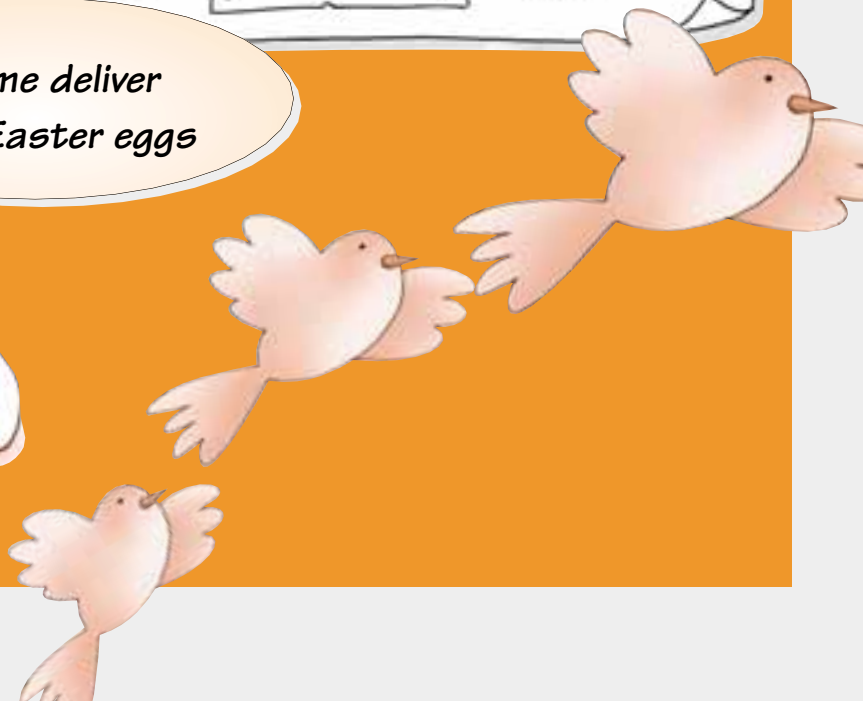

them in her garden. When the children were looking for their surprises, a rabbit jumped out from under some bushes. The children thought that the rabbit had brought the eggs, so they called it the Easter Bunny.

The English World WORKSHEET

Read and draw the eggs in the baskets.

Help me deliver all the Easter eggs

Easter
